

You know there's something wrong with you if you don't want to have sex.

Can't you ever do anything right?
What do you mean, no?

What the hell's wrong with you? Don't you love me anymore?
C'mon. It would show me how much you love me.
Whoop! You mean you don't want to do it? You're so stupid!

Abuse doesn't have to be physical to cut deep.

If you're being put down, threatened or intimidated by your partner, that's abuse.

And you don't have to put up with it.
