

CAEPV  
HopeLine® from Verizon  
Webinar Series

The logo features the word "HopeLine" in a large, bold, black sans-serif font. A red mobile phone icon is integrated into the letter "e". Below "HopeLine" is the text "from Verizon" in a smaller, red, sans-serif font.

**Angela Long**  
**Director of Security**  
**Verizon Communications Inc.**

Angela Long has been Director of Security for Verizon Communications Inc. since 1991, where she directs investigations of employee misconduct, vendor fraud, and other crimes against the corporation in the Northeastern US. She is responsible for standardization of the investigative process for all investigations across the Department.

Prior to joining Verizon, Ms. Long was assistant director of a team that investigated fraud and corruption within the capital construction program of the New York State Metropolitan Transportation Authority.

Ms. Long spent ten years working in the Internal Auditing departments of State and City government agencies, and Fortune 500 companies. She began her career in public accounting at Laventhol & Horwath, CPAs, and Arthur Young & Co.

She holds a Bachelor's Degree in Business Administration from Florida International University, a Certificate in EEO Complaint Handling from Cornell University, is a Certified Public Accountant and a Certified Fraud Examiner.
