

PHONE DRIVE

Collecting no longer used wireless phones to support victims of domestic violence.

October 13-17, 2008

Donation Match \$3.00 per phone

The **HopeLine** phone recycling program collects and donates wireless phones & equipment to assist victims of domestic violence. Verizon has generously agreed to provide a \$3.00 match for any phone donation collected through our donation sites during the week of "It's Time to Talk Day" events. These funds will stay in Central Illinois to assist victims and survivors of domestic violence and sexual assault.
