Rob Peirce
Manager, Employee Relations
Verizon Wireless

Rob Peirce is an Employee Relations Manager with Verizon Wireless. He is responsible for resolving employee issues relating to EEOC, ADA, AA, and other regulatory matters. Peirce also conducts proactive training of both HR professionals and other leadership teams at Verizon Wireless; including topics related to the recognition and support of employees who are the victims of domestic violence.

Peirce has 26 years experience in the wireless industry in various operational and sales roles. He has held positions in HR for 16 years.

Peirce has a B.S. in Business and Psychology from the University of South Carolina.
